

had certainly fallen, but that he was suddenly relieved by a Fairy Form, who snatched him from the danger, set him upright, and telling him the impossibility there was then of reaching the top of the rock, led him by slow degrees down the hill, and landed him on the even plain.

When he asked, what all this meant, and to whom he was obliged for his safety? "My name," said his deliverer, "is the Fairy *Cautious*—You were just going to

" be

" be lost in the cave of *Infamy*,
 " when I came so happily to your
 " deliverance—I am the daughter
 " of *Experience*, and cousin ger-
 " man to *Reason*, without whose
 " company you should not have
 " proceeded on your expedition.
 " Seek out the companions that
 " you have lost, or you must ne-
 " ver hope to get well to the end
 " of your journey. Turn to the
 " right, and you'll find the great
 " road:—it is not necessary that
 " you should pass through the
